The Committee submits this statement to provide clarification on certain entries reflected on the Committee's Year End Report ('the Report'). With respect to any contributions by LLCs, contributors with mailing addresses outside of the United States, or non-federal committees reflected on the Report, the Committee has safeguards in place consistent with FEC regulations and guidance to ensure that all contributions are made by permissible contributors, using permissible funds. Furthermore, the Committee has reviewed all reimbursements to individuals for travel and subsistence and confirms that no further itemization is required on the Report for these expenditures under FEC regulations. Any difference in the amount of reimbursement live entries and their supporting memo entries is the result of reimbursements to vendors that did not exceed the \$200 itemization threshold for the election cycle.
